

Your client gets their dream house - You get 3%

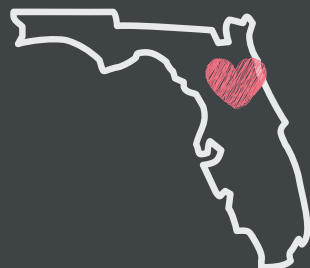

Do you have a client that can't find a home they like?

We help make it easy to build. Your client can get exactly what they want, in the location they want.

A healthy market has 6 months of inventory - right now homes are selling in less than 2 months.

With picky buyers, few sellers, and a growing influx of people moving to our beautiful city - it's time to consider building.

Perks for you:

- ***Earn a 3% commission***
Work with us and earn a 3% commission on the total cost of the home construction.
- ***We make it easy for you:***
We will help walk and analyze land for build-ability, handle all due diligence (surveying, soil tests, zoning requirements, etc), and walk the client through the entire process.

Perks for your client:

- We will handle everything for from beginning to end. Including land development, architecture, structural engineering, interior design, permitting, construction, and warranty.
